

Parking area Unterschleißheim

Where to park the coaches

There are no parking spaces on the premises of the Olympic Shooting Range. Please use the nearby parking area "Volksfestplatz" in Unterschleißheim. It is free of charge, shuttle service for the driver upon call.

Please turn right onto highway B13 via Ingolstadt. After 4.8 kilometers (at the 4th traffic lights) turn left. (There is a Shell petrol station on the left hand side.) After 200 meters follow the sign "Ausweichparkplatz" and turn left into the car park.

We apologize for any inconvenience and wish you a pleasant stay at the 50th ISSF World Shooting Championship.
